Inquisitor Xenon

5 minutes ago

This is a public safety message from the Inquisition

If you come in contact with a yandere then use this guide to keep you and your family safe.

1: Identify the true gender of the yandere.

Yandere behaviour range from an obsessive lover to a full on psycho. Most female yandere's are full on psycho and you should proceed with caution. Male yanderes tend to be milder and will only attack when they feel threatened

2: Do not avoid her

They will see this as you playing hard to get. This will increase their "Love" for you and their stalking will only increase from there

3: Do not have a weapon of any kind

Yanderes see this as a sign. They see it as you not accepting their feelings and will go full psycho and will most likely capture and torture you until you either die or your mind becomes broken. Release from custody is unlikely. They will also likely target anyone close to you thinking they strayed you from their love

4: Give them attention

Their psycho mode can be kept at bay if you give them attention every 24 hours. This will keep them thinking that you're in love with them and will keep them from thinking your friends and family are in the way. However attention must be applied in small increments as too much attention will make her crave more and more till the point where she will kill people around you so that you don't have to give them any attention

5: Tell people

Tell people that won't believe you. The yandere will then see this person as a non issue and they will likely be out of harms way. Be aware that this only applies to friends. Family members will be targeted as they will be around you which still makes them an issue to the yandere

6: Do not go to authorities.

The moment you alert the authorities the yandere will start attacking everyone close to you including you. Assume that she is watching at all times

This message does not apply to all yanderes and you should consider your actions depending on circumstances. Emperor protects

Tsukento

Blurring the ever living hell out of the pages REDUCES the detail quality, not improve it.

What? Translator site is not even a manga site. So KM ban doesnt allow gifs or images but bans even if u tell someone telling a translator site. GG KM

The reason for the ban is "Advertising" apparently. Which is shameless on their part.

What??? How is telling about a translator site can be considered Advertising. KM doesnt even updates manga and is 15 chapters behind. Thats BS

Its because they provide full pages of the manga apparently lol(Well obviously they're the translators)

Afterword

Thank you very much for picking up this volume!

So how was Volume 3 of [Delusional Love]? Kanade became so amazing, but it was the idea from the creator responsible for making this manga (laugh)

Because I haven't drawn a girl like her, she left quite the impression that will forever remain among my artworks. I also learned lots of things from her!

When everybody finish reading this, the moment they say "so scary~!" is proof that this manga is a success. Until then, see you in the next work..

I'm rather hurt that Uncharted scans think that the Self-entitled comment was meant for them. It was actually meant for the ungrateful people. (Looking at it from a retrospective view, I can see why you misunderstood it with the way I worded it tho)

I wouldn't even dare say that to people translating mangas that I'm reading for free.

**ON BEHALF OF UNCHARTED SCANLATIONS, WE WOULD LIKE TO
APOLOGIZE FOR DEMONSTRATING OUR PREVIOUS STATEMENT IN
THE LAST CHAPTER WITHOUT FULLY UNDERSTANDING THE WHOLE
CONTEXT. THIS IS THE INTERNET, WHERE BODY LANGUAGE AND
TONE CANNOT BE READ. MISPLACED WORDS AND
MISUNDERSTOOD CONTEXTS CAN CAUSE UNNECESSARY
CONFLICTS AND STRIFE, AND FOR THAT, WE LIKE TO REMIND
FELLOW READERS THAT LET'S USE OUR WORDS WISELY.**

**OH YES, AND HAPPY VALENTINE'S/SINGLES AWARENESS DAY,
LADIES AND GENTLEMEN!**

**Companion
Cube is here
for you!**

PHEW! ANOTHER SERIES IS COMPLETED BY YOURS TRULY! IT'S AMAZING THAT ALL 18 CHAPTERS ARE FULLY TRANSLATED IN FOUR MONTHS SINCE I STARTED WORKING ON THIS PROJECT! SEE, I STILL HAVE SCHOOL WORK TO FINISH OFF RIGHT NOW. AND ON TOP OF THAT, I WAS PRETTY SICK FROM LAST MONTH.

SO MAKE SURE YOU GUYS STAY TUNED BY FOLLOWING ME ON SOCIAL MEDIA AT FACEBOOK, TWITTER, PATREON, GMAIL ETC. UNCHARTED SCANLATIONS WILL ALWAYS WELCOME NEWCOMERS! SEE YOU GUYS ON MARCH!

P.S. GO AHEAD AND USE ADBLOCK ON LEECHER SITES LIKE KISSMANGA, MANGAFOX, MANGAHERE ETC. THEY DON'T DESERVE TO PROFIT FROM STOLEN SCANLATION WORKS.
